For clarity, no seats, no suites, no tickets and, as they say in Brooklyn, "No Nothin."

Stephen, in regard to your PS about the free luxury box and seats, let me clarify that the ruling request does not refer to free seats or a free luxury box. That was my gloss as a possible reading of the language concerning 20 tickets that might be made available to charity and the possibility of the IDA's use of a luxury box on pages 11-12 of the ruling request.
